- Applicants can manage and monitor their application progress
- References can log in and securely upload their letters of reference
- Recruit analysts can easily set up search plans for review and approval
- Faculty search committees can quickly review applicants
- Approvers can easily review and approve search plans, shortlists, and search reports
- Self-reported diversity data is available to the appropriate groups (roles)

Conflict of Commitment and Outside Professional Activities

The University encourages faculty to engage in outside activities that contribute to their respective professions and the community. A conflict of commitment occurs when the commitment to external activities, whether compensated or uncompensated, professional or non-professional, interferes with the successful performance of the faculty member's University obligations.

The UC Regents' Standing Order 103.1(b) states that faculty members shall not allow outside employment to interfere with primary University duties. Since some outside activities may raise the appearance of a conflict of commitment, the University has established specific guidelines for managing such activity. Academic Personnel Manual sections [025](#) (general campus faculty), [671](#) (Health Science Compensation Plan Faculty), [240](#) (Deans), and [246](#) (Faculty Administrators, 100% Time) clarifies a faculty member's commitment to the University and outlines reporting guidelines for outside professional activity. Each policy includes specific time limits for certain types of outside professional activities.

To comply with APM policy, UCR faculty must:

1. Obtain **Prior Approval** for **Category I** activities by
 - Completing an APM-025 Prior Approval Request OR an APM-671 Prior Approval Request using [UC OATS](#) and;
 - Submitting the request for approval following the campus routing instructions ([pdf](#)). For more information on supporting document requirements, refer to the **Category I Prior Approval Checklist** ([pdf](#)).
2. Submitting an **Annual Report** each fiscal year for Category I and/or Category II activities using [UC OATS](#).

eFilePlus Academic Personnel System

UCR's Academic Personnel eFilePlus System (formerly eFile) is a secure, online academic review management system that supports the personnel actions for appointment and advancement.

The system provides a standard, paperless process for academic reviews. Some of the features and benefits include:

- A stable, secure, and easily accessible online application
- A database where faculty and/or AP staff in the departments can quickly modify and add records as the faculty member's file is updated
- "Snapshots" for academic actions (Merits, Promotions, Career Reviews, Appraisals, etc.) can be generated using the existing records in the faculty member's database
- An academic review file "snapshot" can be routed using a shared governance workflow technology, from snapshot creation to reviews to a final decision.

To log in to the eFilePlus System, click on this link: <https://efileplus.ucr.edu> .

Recommended operating systems: Microsoft Windows 8.1+ or Apple Mac OS X 10+; eFilePlus' responsive design is compatible with up-to-date mobile devices.

Supported browsers: Automatic updates are always recommended to ensure a secure and modern browsing experience, as certain technologies may lead to a degraded or otherwise suboptimal browsing experience. Each of the latest browsers are supported along with backwards compatibility for one full version still supported by the vendor: Google Chrome, Mozilla Firefox, Apple Safari, Microsoft Edge.

UCR login credentials and eFilePlus role are required to access the system. For more information, click on this link: [eFilePlus: Managing and Assigning Roles](#) . For support, please contact your college/school subject matter expert ([click here](#)) or email efilesupport@ucr.edu.
